Dear Parents or Guardians:

Lummi Nation School and Whatcom County Library System have a new partnership called ConnectED that will give K – 12 students access to the best educational resources and learning materials in our libraries and on the Internet.

Through the partnership, LNS student IDs will be used as WCLS library card numbers, allowing students to:

- Borrow 4 items at a time, these items can be books, magazines, audiobooks, and graphic novels. You can also access all of our digital content including eBooks and eAudiobooks
- Incur no overdue fines for items classified for children and teens
- Use computers with filtered internet access at any of the library locations
- Access other educational resources, such as online encyclopedias, using the Internet from school or home

This is in addition to, and separate from, a library card that a student may already have.

To enable the use of a student ID as a library card number, LNS will share the following student information with WCLS:

- Student ID
- Student Name (First & Last)
- Student Street address, city & zip
- School Name
- Grade Level
- Date of Birth
- Home Telephone Number
- Parent Email Address

No other information will be shared. Information shared with WCLS will not be shared or used outside of partnership activities.

If you would like your child to access public library resources using his/her school ID, **you do not need to do anything**. Your child will automatically be enrolled. To opt your student out of public library access using his or her school ID, please complete the form below and turn it in to the Lummi Nation School Library Media Specialist.

We look forward to joining with you in this partnership, which will give students easier access to books and other resources that will help them succeed! You can read more about the partnership at [www.wcls.org/student-library-cards](http://www.wcls.org/student-library-cards).
